

## **ANTI-POVERTY**

### **Child Poverty Action Group (CPAG)**

CPAG informs, supports and campaigns on issues relating to family poverty. It works to ensure that those on low incomes get their full entitlement to welfare benefits and tax credits. In its campaigning and information work it seeks to improve benefits and policies for low income families in order to eradicate the injustice of poverty.

### **Debt On Our Doorstep**

This is a national campaigning organisation made up of local activists and public organisations concerned about the extent and impact of extortionate lending on people on low incomes. They are calling for affordable credit and other financial services to meet the needs of low income borrowers.

### **Jubilee Research**

Jubilee Research is building on the work of the hugely successful Jubilee 2000 campaign which called for the cancellation of the unpayable debt of the world's poorest countries by the end of the year 2000. It is not just an economic think-tank. It is a think-and-do tank, encouraging people to undertake advocacy and campaign action.

### **Make Poverty History**

This campaign continues the work begun in 2005 to persuade the governments of the world's richest countries to make political decisions that will deliver justice for the world's poorest people. You can use the website at [www.makepovertyhistory.org](http://www.makepovertyhistory.org) to find out more about and select different campaigns you can join to make poverty history. Or write to:
