

FURNITURE, CLOTHING, HOUSEHOLD GOODS

There is a bric-a-brac market on Harlow Market Square every Monday.

There are numerous charity shops in Harlow Town Centre selling clothing and household goods at reasonable prices. This section contains details of services that cannot be found in the Town Centre.

Rainbow Services Re-use and Recycling Project

Rainbow Services welcomes donations of bed linen and curtains that are of a decent quality and would benefit another person or family. They also accept donations of essential household furniture and some electrical appliances. These items are then available for Harlow residents who are living on a low income. There is no charge for the furniture item. However a delivery charge is required. Small donations are requested for the textiles.

The Recycling Workshop offers volunteering opportunities to refurbish donated items of furniture.

The Re-use and Recycling Project is based at Units 2 and 6, Latton Bush Business Centre, Southern Way, Harlow, CM18 7BL

(01279) 308151 or (01279) 308330 - to book an appointment or discuss what is available.
