

## **GOVERNMENT SERVICES**

*Many other government services are listed under the relevant subject heading e.g. Jobcentre Plus appears with EMPLOYMENT AGENCIES.*

### **Directgov**

This is the website of the UK Government and aims to give advice on public services all in one place. It provides information under the following headings: education and learning, motoring, home and community, employment, money, tax and benefits, health and well-being, travel and transport, leisure and recreation, crime, justice and the law, rights and responsibilities. It also has an A-Z Guide to help you find local councils, health services and schools and central government departments.
